

50501 Inc. – Statement of Intent Regarding Trademarks and Corporate Structure

Date: April 17, 2025

From: 50501 Inc.

To Whom It May Concern,

This letter serves as a formal and good-faith declaration by **50501 Inc.**, a legally registered nonprofit corporation in the Commonwealth of Virginia and the District of Columbia, regarding its stewardship of the following assets associated with the 50501 movement:

- Federal Trademark Application Serial No. **99122369**: “50501”
- Federal Trademark Application Serial No. **99122956**: “50 Protests. 50 States. 1 Movement.”
- Domain: **50501us.org**, and all associated DNS, hosting, and platform infrastructure
- EIN(s) registered under **50501 Inc.** and **Fifty Fifty One**

The undersigned affirms that **no malicious, exploitative, or commercially predatory use shall be made of the above assets**. The acquisition and registration of these items were conducted solely to **protect the movement from appropriation, political interference, or mismanagement**, and to provide temporary structural safeguarding until an appropriate long-term governance solution can be established.

It is the formal position of 50501 Inc. that:

1. The **trademarks, domain(s), and EINs** were filed and registered in good faith to preserve and defend the grassroots ethos of the 50501 movement;
2. No fees, licensing charges, or monetary compensation shall be required or demanded for the future transfer of said assets to their rightful or consensus-designated custodians;
3. Upon establishment of a legitimate and accountable national board — or upon designation by the **original initiator of the 50501 concept**, or their chosen proxy — 50501 Inc. will execute a legally binding transfer of all registered assets to said individual(s) or governing body;
4. Said transfer shall be documented, notarized, and filed with all relevant authorities, including the USPTO, IRS, and relevant Secretaries of State to ensure public transparency;
5. Until such time, 50501 Inc. will act in a **neutral, protective, and transitional capacity** only, providing legal and logistical coverage without imposing control or interference on grassroots chapters or local organizing efforts.

This declaration is made voluntarily and without coercion, in the spirit of good-faith stewardship, democratic values, and shared responsibility. We invite open dialogue with any stakeholders involved in the 50501 movement to ensure the transfer of these assets occurs responsibly, with dignity and unity.

Sincerely,
