ARTICLE I. RECITALS

WHEREAS, Assignor is the original filer and owner of the pending federal trademark applications:

- Serial No. 99122369 for the standard character mark “50501”; and
- Serial No. 99122956 for the composite phrase mark “50 PROTESTS. 50 STATES. 1 MOVEMENT.”

both filed with the United States Patent and Trademark Office (USPTO) on April 6, 2025, in good faith and for the protection of a decentralized activist network known as “50501”;

WHEREAS, Assignor, having received no compensation or material benefit in exchange for this act, desires to voluntarily assign and relinquish all current and residual rights, title, and interest in the above-referenced marks to the Assignee;

WHEREAS, Assignee is willing to accept such assignment and all responsibilities thereunder, subject to the express terms and conditions set forth in this Agreement;

NOW, THEREFORE, for good and valuable consideration, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

ARTICLE II. ASSIGNMENT OF RIGHTS

1. Assignment. Assignor hereby assigns, conveys, transfers, and sets over to Assignee all of Assignor’s right, title, and interest in and to the aforementioned trademarks, together with

the goodwill of the business symbolized thereby, and all applications and registrations related thereto.

2. Representations of Assignor. Assignor affirms that:
 - He is the sole and rightful applicant of record for the trademarks identified above;
 - No other party has any claim to said marks through him;
 - This assignment is voluntary and without compensation; and
 - This Agreement constitutes a final relinquishment of any and all current or future claims to the trademarks, except as provided for in Article IV below.
3. Recordation. This assignment shall be submitted to and recorded with the USPTO Assignment Division pursuant to 15 U.S.C. § 1060 and 37 C.F.R. § 3.11.

ARTICLE III. CONDITIONS OF OWNERSHIP

As a condition of this assignment, Assignee expressly agrees to the following legally binding obligations:

1. Adherence to Letter of Intent. Assignee shall at all times operate in good faith in accordance with the intentions and safeguards contained within the Letter of Intent dated April 17, 2025, a true and correct copy of which is incorporated by reference herein.
2. Compliance with Entrustment Provisions. Assignee shall act in a manner consistent with the ethical, fiduciary, and moral terms articulated—verbally or in writing—in the Statement of Entrustment dated April 22, 2025.
3. Stewardship Purpose. Assignee shall not treat the trademarks as property for commercial exploitation, sale, personal gain, or unilateral rebranding. They shall be maintained solely for the purpose of public trust, community coordination, and the prevention of external hijacking.
4. Prohibition on Unauthorized Actions. Assignee shall not abandon, surrender, assign, transfer, license, open-source, relicense, or otherwise dispose of or encumber the trademarks without full compliance with the reversion and quorum requirements set forth in Article IV.

ARTICLE IV. AUTOMATIC REVERSIONS

1. Triggering Events. The occurrence of any of the following shall constitute a material breach of this Agreement and shall result in the automatic and immediate reversion of all trademark rights and custodianship to:
 - [REDACTED] (also known as “evolved_fungi”), the original creator of the 50501 subreddit and initiator of the grassroots movement; or
 - Such designee as Mr. [REDACTED] may appoint in writing.
2. Events Constituting Breach.
 - Violation of the terms or spirit of the April 17, 2025 Letter of Intent.
 - Violation of the verbal or written assurances in the April 22, 2025 Statement of Entrustment.

- Abandonment, surrender, or transfer of the trademarks without explicit authorization through a publicly verifiable vote of no less than 300,000 supporters of the 50501 movement.
 - Any act of coercion, intimidation, undue pressure, or deception intended to cause or manipulate Assignee into terminating, diluting, or transferring the trademark rights.
3. Effect of Reversion. Reversion shall be immediate, self-executing, and shall not require judicial intervention. Assignee agrees to cooperate in filing all documentation necessary to effectuate this reversion with the USPTO.
 4. Irrevocability. This Article shall remain enforceable in perpetuity and may not be waived or amended without the written consent of all parties named herein.

ARTICLE V. GOVERNING LAW AND ENFORCEMENT

1. Jurisdiction. This Agreement shall be governed by and construed under the laws of the District of Columbia and, where applicable, the United States Lanham Act (15 U.S.C. §§ 1051 et seq.).
2. Severability. If any provision herein is found to be invalid or unenforceable under applicable law, the remainder shall remain in full force and effect.
3. Specific Performance and Injunctive Relief. The Parties agree that breach of this Agreement shall cause irreparable harm for which monetary damages would be insufficient. Accordingly, the non-breaching party shall be entitled to seek specific performance, injunctive relief, or both, without the necessity of posting bond.
4. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective heirs, successors, and assigns.
